

D6.8: WEBSITE.

WP6: Dissemination – know how transfer to procurers and users why and how commercial refrigeration can improve

Task 6.7: Website

Christof Horvath, Austrian Energy Agency, Austria

Final version, 16 October 2015

Project Partners

This ProCold project has received funding from the *European Union's Horizon 2020 research and innovation programme* under grant agreement No 649293.

The sole responsibility for the content of this report lies with the authors. It does not necessarily reflect the opinion of the European Union. Neither the EASME nor the European Commission are responsible for any use that may be made of the information contained therein.

CONTENT

On the ProCold website (available at: www.pro-cold.eu) general information about the project is presented. The website contains the list of the most efficient professional cold products available on the market. Within the project this list will be updated on a regular basis. A short description of each project partner is available and a special section is reserved, where the finished deliverables are uploaded.
